

Ordinance to establish new and replacement driveway culverts

STATE OF WISCONSIN

Town of Wood
Wood County

The Town Board of the Town of Wood, Wood County, Wisconsin, has specific authority under s.66.0103, Wis. Stats., to adopt this ordinance.

The Town Board of Town of Wood, by this ordinance, adopted on proper notice with a quorum and roll call vote by a majority of the town board present and voting, provides the authority for the town to establish new and replacement driveway culvert sizes.

A. The following specifications for new and replacement driveway culverts shall be 15 inches for double walled culverts, or 18 inches for single walled culverts. The culvert shall be 24 feet in length.

B. Before installation of said culvert, a board member of the Town Of Wood, Wood County shall inspect the site.

This ordinance is effective on the 16th day of May 2008.
The town clerk shall properly post or publish this ordinance as required under s.60.80, Wis. Stats.

Adopted this 1st day of May 2008.
